John Stuart Mill er den socialliberale samfundstænkere, der i det 19. århundrede evnede at forbinde Ricardos fundamentalistiske liberalisme og de praktiske forhold i den britiske økonomi. Han ønskede at fremme politisk frihed og økonomisk velstand for alle samfundsborgere. Der er overraskende mange paralleller mellem den politisk økonomiske diskussion i midten af 1800-tallet og den, vi oplever i dag. Socialismen døde ved murens fald, og liberalismen sejrede. Resultatet er blevet et samfund, hvor alle i stigende grad tænker på sig selv. Der er derfor behov for, at vi atter vender os mod den europæiske kulturtradition, der har argumenteret for frihed og liberalisme under ansvar - personligt og socialt. De socialistiske tanker om lighed og solidaritet kan vi heller ikke undvære. Her kommer Mill ind i billedet.

Bogen beskriver Mills liv og hans bidrag til den økonomiske videnskab. Men også Mills mere politisk prægede analyser om den repræsentative regering, frihedens problemer og kvindernes underkuelse behandles.

This was scanned from the 1909 edition and mechanically checked against a commercial copy of the text from CDROM. John Stuart Mill: Ethics. Chapter II: Of the Liberty of Thought and Discussion Utilitarianism [John Stuart Mill, George Sher] on Amazon.

On Liberty : John Stuart Mill : John Stuart Mill explains “The subject of this Essay is not the so-called Liberty of the Will, so unfortunately opposed to the misnamed doctrine of Philosophical Necessity; but Civil, or Social Liberty: the nature and limits of which John Stuart Mill: John Stuart Mill, English philosopher, economist, and exponent of Utilitarianism. Its goal is to justify the utilitarian principle as the foundation of morals. This expanded edition of John Stuart Mill's Utilitarianism includes the text of his 1868 speech to the British House of Commons defending the use of capital punishment in cases of aggravated murder. com. John Stuart Mill: Ethics.
