Digital Media Management forener fagområderne projektledelse, kommunikation og systemudvikling i denne grundbog, som henvender sig til medieuddannelserne og det professionelle udviklingsmiljø. Bogen er bygget op omkring den åbne og helhedsorienterede udviklingsmetode 'HOME', som kan anvendes i såvel de iterative og agile projektmodeller som i de mere traditionelle lineære modeller. Digital Media Management er 3. udgave af Udvikling af multimedier, og i forhold til de tidligere udgaver har emner som agile metoder, grænsefladedesign, brugerinddragelse og sociale medier fået større vægt.

You can add your recommendation in the list there DMM is a Full-Service Agency based in Sandton, SA.
