En teenagedreng forsvinder fra et sommerhus. En mor forsøger at finde sin søn. Finde ud af, hvem han er. Hvad det er, hun har budt ham.

RUD er en roman om at fare vild. Det er en roman om legens væsen, det ukontrollable, forløsende og farefulde ved legen; om vold og begær, magt og modstand og muligheden for at sætte sig selv fri.

Pressen skriver: »Den er voldsom, ubehagelig og ækelt godt skrevet. [...] Kamilla Hega Holst skriver, så man næsten glemmer at trække vejret.« – ***** Nordjyske Stiftstidende »[...] en roman, der på én gang er elementært og filosofisk spændende, på én gang handler om det ekstreme og det almene familieliv.« – ***** Politiken »Hega Holst skriver enkelt, hårdt og direkte [...]« – Weekendavisen »Med præcist sprog og sublim teknik leverer Kamilla Hega Holst en mesterlig fortælling, hvor nutid og fortid og leg og alvor mødes i et sitrende spændingsfelt.« – ***** Ekstra Bladet »Der er noget frygtløst i Kamilla Hega Holsts valg af virkelig ubekvemme emner.« – Information »[...] ikke alene en velskrevet og nervepirrende oplevelse, nej, romanen siger samtidig utroligt meget om, hvordan vi mennesker kan fare vild i os selv og i hinanden.« – ***** JyskeVestkysten »Kamilla Hega Holst har en helt særlig evne til at tage fat i det ukomfortable, i svære

følelser, umage forhold, begær, der ikke passer ind i forestillingerne, og så bare holde fast, trække det hele frem, uden at fortælle læseren, hvad der er rigtigt eller forkert, lade fortællingen i al dens ubehag stå åben for mange fortolkninger. « – ***** Kristeligt Dagblad
