Beijing er hovedstaden i landet, alle taler om, og byen syder af en unik, sprudlende energi. Byen er et utroligt sammenstød mellem den fjerne fortid og den energiske nutid, hvor kejserpaladser og templer står side om side med forbløffende ny arkitektur og avantgardekunst. Steder: Den Forbudte By & det nordlige Doncheng – Himmeltemplet & det sydlige Doncheng – Beihai Park & Xicheng – Det nordlige Chaoyang – Det sydlige Chaoyang – Sommerpaladset & Haidian
