Danmarks første minister fra et tredje verdensland, den første mandlige ligestillingsminister, ham med de sjove børnebøger, ham med homo-vielserne – og ham der altid smiler i sit moderigtige tøj. Sådan cirka kender vi socialminister Manu Sareen. Men i Manu viser han også en anden side af sig selv. Han fortæller hudløst ærligt om den ensomme indvandrerdreng fra Bryggen, der hutler sig gennem skoletiden og bliver smidt ud af gymnasiet, på kanten til at blive kriminel, rammes af depression og bliver skilt på forsiden af formiddags aviserne. Han fortæller om skelsættende begivenheder og forbilleder og om op- og nedture i politik. Om ikke at føle sig hjemme blandt de privilegerede, om intriger og om hvordan magten opleves set indefra. Om prisen ved at være i mediernes søgelys. Og om at være et menneske med både dæmoner og håb – og om glæden ved at leve her og nu.

Da ab dem 25. Today, it's a major revamp of the Literotica Toplists. Calgary Home | Calgary Architects, Land Use Amendment and City Permits Golden Pond Village offers a quiet Florida escape from the worries of life.
